## CONSENT & RELEASE

I wish to participate in the activities at the North NSW Conference Camp to be held at Stuarts Point 3-12 October 2008. I understand that there may be some risks involved and choose to participate on this understanding. In the event of an accident or illness I authorise the activity leader to consent medical treatment as may be deemed necessary at the participants expense. As an activities participant I agree to be responsible for taking the time to learn safety techniques and the proper use and limitations of any equipment. I acknowledge that I may refuse to participate in any part of the activity I feel apprehensive about. Further I grant permission for Youth Ministries to use photo/videos that may be taken of me for promotional purposes.
